The Stagg Hill Jr. Golf Academy will be headed by PGA Professional Chad Myers.

The Academy will provide age appropriate learning of motor and golf skills with help from the ADM Teaching Model.

Our goal is to allow the kids to learn in a fun environment with creative activities to keep the junior golfers engaged throughout their time with us.

We will focus on golf skills and have bench marks created so the Juniors can see their progress throughout the session.

The final week we will plan to have some skill challenges and provide some prizes, certificates, and snacks.
