

## **TOM CHAPUT**

Retired in 2016 from Everyg after 36 years. Have been on the Board the last 3 years, as Vice President the past year. I was on the selection committee for the hiring of our Clubhouse Manager Chad Myers and was also in charge of finding candidates for last year's Board of Directors. As Vice President I was responsible for leading the Grounds and Greens Committee which included overseeing the rebuild of the #2 green and the installation of 9 new forward tees.

Looking forward to serving you for the next 3 years.

## **SUE DONNELLY**

*Mom*-to 2 adult daughters.

*Wife*-to one very busy college professor.

*Traveler*-anywhere, anytime. Especially to Chicago and NYC to see the above-mentioned daughters.

*Photographer*-very amateur.

*Shopper*-now that would be a dream job, but actual ones included Gymnastics Plus gym owner and antique dealer.

*GOLFER*-since I was about 12 years old (that's been a while ago). Played in high school. Would have loved to have played in college, but K-State had no team at the time.

There's a putting green in my backyard. I'm a terrible putter! Keep an eye out for my name on tourney long drive holes though. That is, when the ball goes straight. My lowest handicap index was a 6.8. Now that was some fun golf! But even as the scores go up, the fun continues. Golf!

*Goals*-play more golf, travel, repeat.

*Philosophy*-have fun.

## **MICHAEL GASSMAN**

I am 52 years old.

I was first introduced to the game of golf in 1988 by Don and Ann Foster when I was 19. It was the Leonardville golf course, sand greens and all. Since then, I have been hooked.

I have been married for 32 years, in a row, to the same person. I have no idea how she puts up with me, but she does. My wife and I have two grown daughters and two adorable grandchildren.

Other than the odd year or two, I have been a resident of Manhattan my whole life.

I grew up in and around the hospitality industry. I went to and graduated from Scottsdale Culinary Institute in 1993-94 and was then a chef and restaurant manager until May of 2006. Since then, I have been the proud owner of Wildcat Pet Resort.

I became a member of Stag Hill in, I believe, 2014.

## **DUB GUNTER**

My interest in golf really began seriously in 1957 after College and the Service. I started my Stagg Hill Membership in 1958 at the original 18 Hole sand green course on Stagg Hill. In 1964, I was first elected to the Stagg Hill Board. For the next 8 years I served on the Board and was Board Secretary. It was this Board that built the current Stagg Hill Golf Course that we know today. We opened the course in June 1968.

From there my love of the Game of Golf and the Stagg Hill Golf Course grew stronger each year. Today I think we have one of the best 18 Hole Golf Courses in the State of Kansas. I raised my family on this course.

In the past few years, we have really made some great improvements in this course and upgraded the course into what it is today. During the last three years, I have served as Finance Committee Chairman and two years as President of the Board. We are continuing to make improvements and upgrades. I would like to be a part of this exciting time and help make this Course even better. I would appreciate your support.

## **KEVIN L. KENNEY**

Born March 14 in Kearney, Nebraska to Penelope and Jay Kenney. I learned to golf at Stagg Hill after our family moved to Manhattan in 1993.

I graduated from Riley County High School (go Falcons!), Kansas State University (go Cats!), and Fort Hays State University (go Tigers!). I love this area and plan to stay here as long as opportunities allow. I have served in elected leadership roles at each school, and hope that I can leverage this experience on the board.

I am currently an IT professional for KS State Bank in Manhattan and have enjoyed the connections I've made along the way.

I am excited for the opportunity to serve the members of Stagg Hill!

Feel free to reach out to me with any questions that you have: [kkenney@ksu.edu](mailto:kkenney@ksu.edu)

## **DAVE PROCKISH**

My name is Dave Prockish. I was born and raised in Manhattan. My dad was a member before and during the 93 flooding. I have been a member at Stagg Hill GC for 20 years. I have served on Manhattan Area VoTech Automotive advisory board. I also was on Kansas Stated advisory committee to align all the states Automotive curriculums. I have served as the Vice President of the Manhattan Tri County Bowling Association and am currently President of my Monday night bowling league. I love playing golf at Stagg whenever possible. I have seen many changes at Stagg and would like to continue to help our golf course improve.
