MHS Girls Golf

Several Stagg Hill junior golfers will be competing for the Manhattan High Girls golf team this fall. They are: Jenna Cruisenberry, Brittany Havenstein, Blake Fingalsen, Teresa Jardine, and Aubrey Rumford. Congratulations and have a great season!

Storm Damage

Thanks to all the volunteers who helped remove the trees and debris after the wind storm on August 13. The number of volunteers and your willingness to help was amazing. We truly have a lot of people who care dearly about Stagg Hill.
THANKS!

USD 232 Golf Team

Due to budget cuts funding the golf team in Washington Kansas was eliminated. They are looking for financial help to keep the team. If you would like to help out, any and all financial contributions will be accepted. Please leave donations at the Pro Shop and we will forward them to the golf team. Make checks payable to: "Golf Team".

Cart Path Usage

Golf Carts put a lot of stress on the golf course, especially around the tees and greens. Please keep carts **ON** the paths around the tees and greens. This will help the grass from dying. Do NOT pull off to the side of the cart path.

When "carts on path" only is in effect after a substantial rain, please do just that. Keep your cart on the path even when there is a puddle on the cart path. Slow down and drive through the puddle. If you drive around the puddle, you will wear out the grass around the path, and damage the course. We would appreciate your cooperation in this matter.
